Option #1: One of the purposes of this scholarship is to promote Lao culture and heritage. Choose an aspect of your culture/heritage that has greatly impacted your development. Describe how you plan to use your cultural background to achieve your educational goals and contribute to the preservation of Lao culture and heritage.

Option #2: By investing in our youths through the gift of education, we are growing a generation of scholars with great minds and giving hearts. What are your academic and professional goals? Describe any adversity or challenges you have had to overcome in pursuit of these goals. How do you plan to utilize your education to achieve a better future for you, your family, and the Lao community?

Option #3: It is our hope that through this program we can recognize and reward the students who are determined to build a strong cultural foundation to strengthen and illuminate the Lao community. Are there any needs or problems with the Lao community that you hope to address with your education? How have you contributed to addressing these needs?

Option #4: Tell us what you'd like us to know about you. What about your unique personal background, identity, traits, interest, or talents are going to enhance your education, future employment, and ability to positively impact your local community?
